

# Join Our Community Coat Drive!

*While you keep warm this winter, help others stay warm as well.*

As temperatures drop, let's spread warmth together! First Call Heating & Cooling is excited to announce our December Coat Drive! We're not just here to heat your home; we're passionate about warming hearts within our community as well.

Every donation makes a difference, let's make this season cozy for everyone. You can give your gently used or new coats, gloves, hats, and other winter gear to our friendly team member during your scheduled service, or bring them to our office in Racine: 4603 Durand Avenue | Racine, WI 53405

*Thank you for being part  
of our caring community!*

Collecting to begin in November for a December drop-off.
